

REMARKS

Reconsideration of the application is requested in view of the amendments to the claims and the remarks presented herein.

The claims in the application are claims 1 to 3 and 6 to 12, all other claims being cancelled.

In the Advisory action, the Examiner refused entry of the amendment of November 2, 2005 on the ground that the claims did not recite two steps but only one. While not agreeing with the Examiner's interpretation, the claims have now been amended to clearly recite two steps and entry of the amendment for purposes of appeal is requested.

Respectfully submitted,
Hedman and Costigan
